

At TruckPark we are super thankful for all the drivers on the road keeping product moving so the rest of us can stay safe. Drivers are struggling to find safe parking even in this time with fewer cars on the road. That's why we announced earlier this week that we are promoting a 25% OFF discount on all locations for drivers during the crisis.

We've heard that you are looking for ways to say thank you, so we made it easy for you to show your gratitude. To show your gratitude to a specific driver or offer a random driver a free night. We've created a way for you to pay for the driver's parking and get the same discounted deal.
